Dear Ms.Vasserman:

Per your request on May 6, 2020, please find the attached Excel spreadsheets that provide 2017 - 2020 data from Sacramento County's Emergency Medical Services (EMS) calls. Sacramento County EMS Agency's (SCEMSA) Medical Director, Hernando Garzon, reviewed your request and final data, and is concern the raw data does not reveal its strengths or its gaps (such as presuming that scene call location correlates with destination hospital). Dr. Garzon is available to meet with you to ensure your analysis and assumptions about the data are accurate, so that you may get the most accurate use of the information.

If you have any questions or wish to contact Dr. Garzon, please do not hesitate to contact me at [magninod@sacounty.net](mailto:magninod@sacounty.net) or 916-875-9753.

Sincerely,

A handwritten signature in blue ink, appearing to read "David M. Magnino".

David M. Magnino, B.S. / EMT-P  
EMS Administrator, Sacramento County EMS Agency
